

Kuder Navigator – ECAP and 4 year Plan

Step 1 – Do an ECAP

- ◆ Log on to your school account.
- ◆ Log on to the internet using Start menu, all programs and Internet explorer.
- ◆ Go to the Arizona college and career planning system at <http://az.kuder.com/>
- ◆ Select “My Portfolio”
- ◆ Select “My ECAP”
- ◆ Fill in your counselor’s name.
- ◆ Complete the date and 1 academic area needing improvement. Ex. Become more organized.
- ◆ Fill in the improvement plan. Ex. Use my planner on a daily basis.
- ◆ Scroll down and complete 1 personal goal.
- ◆ At the bottom click “save”

Step 2 - Do a 4 year plan

- ◆ Choose Learn “Plan for Education”.
- ◆ To get started, you will need to scroll down and click “create”, under create an education plan.
- ◆ Click “create a new plan”.
- ◆ Under plan name You can call it “Your Name 4 year plan”
- ◆ Under area of study select: MOUNTAIN POINTE
- ◆ Click “create”
- ◆ Start with English Click on the + and scroll down and add the English class you are in by clicking select.
- ◆ Do the same for sophomore though senior year for English. Try to project the classes you will be doing.
- ◆ Do the same for math, science social studies etc.
- ◆ When you are done save and exit.
- ◆ This plan is adjustable; you can always come back to it and make changes.
